

German intensive course in Biberach from 3 to 8 July 2023

- Cours intensif d'allemand
- Corso di tedesco intensivo
- Intensive German language course
- Intensywny kurs języka niemieckiego
- გერმანული კურსები

You are between 16 and 20 years old, already have a good knowledge of German, but would like to improve it? Do you live in or around Valence (F), Asti (I), Telawi (Geo), Świdnica (PL), in the Tendring District (GB) or on the Channel Island of Guernsey?

Then this intensive German course in Biberach is the right choice for you.

The course offers around 20 hours of German language tuition. In addition to the lessons, there is a varied (afternoon) programme. Excursions and a half-day trip are also planned.

For one week, you will live with a German host family and have contact with other young people from Biberach's twin towns. You will be in an international atmosphere and make new friends.

You need to know:

1. Schedule 2023:

~ 2 July	Arrival in Biberach and at host families
3 - 8 July	German course in the morning, excursions / programme later
~9 July	Return journey

2. The journey to Biberach and back home has to be organized by yourself or together with the other participants from your town. Participation in the project is at your own risk.

Please also check your passport, it must be valid. Sufficient insurance cover, also abroad, must also be guaranteed. There is no insurance cover (compulsory liability, health, accident

insurance etc.) within the framework of an association insurance or by the city of Biberach.

3. During the course, participation in the programme is mandatory and the rules on site must be observed.

Please also bring pens, pad, ruler, glue and scissors for the lessons.

4. Costs:

Travel expenses and personal pocket money have to be paid by the participants.

Accommodation in the host families, food, the course and excursions are free of charge.

5. Location:

This year the course will take place in the rooms of Dollinger Realschule, Wilhelm-Leger-Straße 2, Biberach.

Are you curious now?
